MEMORIES

Entering spring training, only four players on the Cubs' 40-man major league roster were members of the team's 1998 Division Series roster — pitchers Kerry Wood, Kevin Tapani and Felix Heredia and rightfielder Sammy Sosa. In fact, only three other Cubs saw action with the club prior to the 1999 campaign — pitcher Jeremi Gonzalez (1997-1998), infielder Jose Nieves (1998) and catcher Joe Girardi (1989-1992).

MAJOR LEAGUE WAIVER RULES

There are four types of waiver requests — major league waivers, special waivers, outright waivers and unconditional release waivers.

MAJOR LEAGUE WAIVERS are necessary for any player assignment between major league clubs made from August 1 until the day after the close of the regular season. Waivers are not needed for major league assignments during the rest of the year. The trading deadline in which waivers are not needed is July 31.

SPECIAL WAIVERS are irrevocable. They are required for a major league club to outright a player to a minor league club from September 1 until the 30th day of the following season.

OUTRIGHT WAIVERS are irrevocable. They are required for a major league club to outright a player to a minor league club from the 31st day of the regular season until August 31.

UNCONDITIONAL RELEASE WAIVERS can be secured at any point during the year.

CONSECUTIVE-GAME STREAKS

A **CONSECUTIVE-GAME PLAYING STREAK** shall be extended if a player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance does not extend a streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

A **CONSECUTIVE-GAME HITTING STREAK** shall not be terminated if all a player's plate appearances result in a base on balls, hit batsman, defensive interference or sacrifice bunt. The streak shall end if the player has a sacrifice fly and no hit.

SAVE RULE

Rule 10.20 tells the official scorer to credit a pitcher with a save when:

- (1) He is the finishing pitcher in a game won by his club, and;
- (2) He is not the winning pitcher, and;
- (3) He qualifies under the following conditions:
 - (a) He enters the game with a lead of no more than 3 runs and pitches for at least 1.0 inning, or;
 - (b) He enters the game with the potential tying run either on base, at bat or on deck, or;
 - (c) He pitches effectively for at least 3.0 innings.

When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save."

If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity.

If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist because of added runs scored by his own team, he is not charged with a save opportunity.

ABOUT GUTIERREZ

Ricky joined the Cubs as a free agent for the 2000 season after seeing postseason action during each of the previous three campaigns with the National League Central Division-winning Houston Astros.

- ◆ was involved in one of baseball's biggest trades of recent vintage, as he went from San Diego to Houston as part of a 12-player deal in December 1994.
- ◆ is a 1988 graduate of American High School in Hialeah, FL.
- ◆ his father, Roberto Sr., played minor league ball in the St. Louis Cardinals' organization, while his brother, Roberto Jr., played in the Baltimore Orioles' farm system.

2000 SEASON

Ricky had the best season of his major league career in his first campaign with the Cubs, batting .276 in 125 games with 11 homers and 56 RBI.

- ◆ the 11 homers were a career high — as he had entered the season with only 13 big league roundtrippers.
- ◆ the 56 RBI surpassed his previous high of 46 (set in 1998).
- ◆ tied Toronto's Alex Gonzalez for the M.L. lead with 16 sacrifice bunts.
 - ✓ the last Cub regardless of position with a higher sac bunt total was shortstop Ivan DeJesus (17) in 1979.
 - ✓ had entered the campaign with a career total of 14 sac bunts.
- ◆ had more walks (66) than strikeouts (58).
- ◆ made his Cubs debut April 3 at St. Louis ... did not see action in Tokyo due to a left rib cage muscle strain.
 - ✓ after going hitless in his first game, he hit safely in his next 13 contests — the longest streak of his big league career ... hit .408 from April 5-April 18 (20-49) with 9 RBI and 5 multi-hit games — including a 3-hit/3-RBI/3-run contest April 7 at Cincinnati.
- ◆ had the first 5-RBI contest of his career April 26 at Houston.
 - ✓ the previous night in his first game against his former Astros teammates, he homered and drove in 3 runs.
 - ✓ had 3 hits and a homer in the series finale April 27 — as he went 7-for-12 in the series with 2 homers and 9 RBI.
- ◆ led National League shortstops with a .986 fielding percentage, committing 7 errors in 387 total chances.
- ◆ was on the disabled list May 25-June 23 with a separated right shoulder.

THE ULTIMATE SACRIFICE

Ricky Gutierrez led the National League with 16 sacrifice bunts in 2000.

The Cubs record for total sacrifices in a season is 46, set by Jimmy Sheckard in 1909.

Sacrifice bunts and sacrifice flies were grouped together until 1954. Since the two categories were separated, the Cubs leaders for most sacrifice bunts in a season are Gene Baker (18 in 1955), Ivan DeJesus (17 in 1979) and Gutierrez.

HOW TO FIGURE BASEBALL STATISTICS

EARNED RUN AVERAGE — (ERx9)/IP: Earned runs multiplied by 9, then divided by innings pitched (0.1 innings = .333, 0.2 innings = .667).

BATTING AVERAGE — H/AB: Hits divided by at-bats.

SLUGGING PERCENTAGE — TB/AB: Total number of bases (single = 1 base, double = 2 bases, triple = 3 bases, home run = 4 bases) divided by at-bats.

FIELDING AVERAGE — (PO+A)/(PO+A+E): Putouts plus assists divided by total chances (putouts plus assists plus errors).

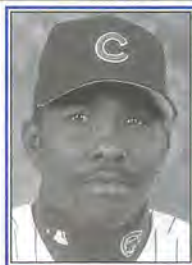

ON-BASE PERCENTAGE — (H+BB+HBP)/(AB+BB+HBP+SF): Hits plus walks plus hit-by-pitch divided by at-bats plus walks plus hit-by-pitch plus sacrifice flies.

WIN-LOSS PERCENTAGE: Number of games won divided by total games played.

MAGIC NUMBERS: Compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

YOUNG CUBS

The Cubs utilized 19 rookies during the 2000 campaign, including 15 who made their major league debuts.

The highest number of players to make their major league debuts in one season for the Cubs was 20 — in 1902. The high number of youngsters that season was one of the primary reasons why the club was nicknamed the "Cubs." With the raid of National League players by American League teams, many N.L. clubs stocked their spring training rosters with young, unproven players. The **Chicago Daily News**, noting all the youngsters in the Chicago camp, used the nickname "Cubs" for the first time in its March 27, 1902, edition.

- ✓ is the N.L. recordholder for most homers hit over a three-year, four-year (215), five-year (255), six-year (291), seven-year (316) and eight-year (349) time period.

- ◆ has homered 255 times over the five-year span since Opening Day 1996 ... McGwire is the M.L. leader over that span with 277.

- ◆ other accomplishments with the Cubs include:

- ✓ recording a club-record 43 multiple-homer games (44 overall).
- ✓ becoming the first Cub to drive in at least 100 runs in six straight seasons.
- ✓ joining Ernie Banks as the only players in Cubs history with seven 30-homer campaigns.

1998: Won the N.L.'s Most Valuable Player Award, earning 30 of the 32 first-place votes after batting .308 with 66 home runs, 158 RBI and 134 runs scored.

- his postseason honors included being named N.L. Most Valuable Player by **Baseball Weekly** and Player of the Year by **The Sporting News** and **Baseball Digest** ... won his second **Louisville Slugger** Silver Slugger Award and was selected to **The Sporting News**, **Associated Press** and **Baseball America** postseason all-star teams ... also was the first recipient of a Humanitarian Award at The ESPYs.
- his RBI total led the majors and was the 4th-highest total in N.L. history ... also led the majors in runs scored and total bases (416).
- when he homered for the 56th time September 2 off Cincinnati's Jason Bere, he tied Hack Wilson's 1930 club mark ... became the Cubs' single-season homer leader September 4 with a solo shot off Pittsburgh's Jason Schmidt.
 - hit his 60th homer September 12 off Milwaukee's Valerio De Los Santos in the Cubs' 149th game ... Babe Ruth homered for the 60th time in 1927 in the Yankees' 154th contest.

- had 57 homers and 127 RBI in his last 110 games after beginning his homer barrage May 25 in Atlanta — including his second career 3-homer contest (June 15 vs. Milwaukee) and ten 2-homer affairs ... his 11 multi-homer games tied the M.L. single-season mark previously reached by Detroit's Hank Greenberg in 1938.
- was named to the N.L. All-Star team for the second time during his career, but did not play in the Midsummer Classic due to left shoulder stiffness ... was the N.L. Player of the Month for June and earned N.L. Player of the Week honors three times (weeks ending June 7, June 21 and September 12).

 - the next night (July 28), he hit another grand slam, this time off Arizona's Bob Wolcott ... the 2 grand slams came in a 4 at-bat sequence — after he had gone without a grand slam in his first 4,428 M.L. at-bats.

YOU COMPLETE ME

The last Cubs pitcher to throw 2 complete games against any team in one season was Steve Trachsel — in 1996 against Houston. Trachsel started 4 times against the Astros that year, going the distance in his first and third contests (May 13 and August 17).

The last Cubs pitcher to go the distance in consecutive starts against the same club was Greg Maddux — against San Diego in 1992 (May 22 and June 1). The 2 complete games came during an overall 3-start stretch.

Thanks in large part to the schedule, it's rare that a pitcher faces the same team in back-to-back starts. The last Cubs pitcher to oppose the same club in consecutive games — and go the distance in both contests — was Rick Sutcliffe in 1984 against New York (September 8 and September 14).

- ◆ had the 3rd-highest steals total in the majors behind Florida's Luis Castillo (62) and Los Angeles' Tom Gooden (55).

 - ✓ the only other player in Cubs history to reach base 7 times in a game was Cliff Heathcote (August 25, 1922) ... since 1900, only two other Cubs had drawn 5 walks in a game — Elrod Hendricks (September 17, 1972) and Andre Dawson (May 22, 1990).

PINCH HITTER DEFINITION

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up.

A GRAND TIME WAS HAD BY ALL

With 4 grand slams in 2000, the Cubs increased their all-time number of bases-loaded roundtrippers to 254.

The Cubs record for grand slams in a season is 9, recorded in 1929. Players who hit bases-clearing homers during the season were Hack Wilson (2), Rogers Hornsby (2), Charlie Grimm (2), Riggs Stephenson, Norman McMillan and Kiki Cuyler. McMillan's roundtripper was of the inside-the-park variety.

The club's first grand slam was hit by pitcher Larry Corcoran on June 20, 1882, off Worcester's Lee Richmond at Chicago's Lakefront Park.

The only Cubs to hit more than 2 grand slams in one season are Ernie Banks (5 in 1955), Wildfire Schulte (4 in 1911) and Sammy Sosa (3 in 1998). Sosa hit grand slams in back-to-back games July 27-July 28 of that season, becoming the first Cub to accomplish that feat.

ON JUNE 3, 1987, the Cubs and Houston Astros combined to hit 3 grand slams — tying a major league single-game record. Two Cubs hit bases-loaded roundtrippers — Brian Dayett (off Bob Knepper) and Keith Moreland (off Julio Solano). Houston's Billy Hatcher hit a grand slam in the contest off Rick Sutcliffe.

ON AUGUST 16, 1890, Chicago batters Tom Burns and Malachi Kittridge both connected for 5th-inning grand slams off Pittsburgh's Bill Phillips — for the franchise's only multiple grand slam inning.

MIDSUMMER CLASSICS

The youngest Cubs player selected to the National League All-Star team was Greg Maddux, who was 22 years old at the 1988 Midsummer Classic in Cincinnati. As he did not participate in that contest, the nod as the youngest Cub to play in the All-Star Game still goes to Ron Santo, who was 23 years old when he made his first of nine All-Star appearances in the 1963 affair in Cleveland. The youngest Cubs pitcher to appear in an All-Star Game was 23-year-old Fergie Jenkins, in the 1967 contest in Anaheim.

The youngest Cub to start an All-Star Game was Augie Galan, who, as a 24-year-old, started in centerfield for the N.L. in the 1936 Midsummer Classic in Boston — and homered off the Detroit Tigers' Schoolboy Rowe.

The oldest Cub to play in an All-Star Game was 38-year-old Ernie Banks, who made his 13th and final All-Star appearance in the 1969 Classic in Washington, DC.

GETTING DEFENSIVE

ON MAY 30, 1927, shortstop Jimmy Cooney turned the only unassisted triple play in Cubs history. In the fourth inning of the Cubs' game in Pittsburgh, Cooney caught Paul Waner's line drive, stepped on second base to retire Lloyd Waner, then tagged Clyde Barnhart off first.

ON JUNE 29, 1937, Cubs first baseman Jimmy Collins set a National League record by not having any fielding chances in the Cubs' 11-9 victory over the Cardinals in St. Louis. Leftfielder Augie Galan and catcher Gabby Hartnett each had 8 of the Cubs' 27 putouts, followed by second baseman Billy Herman (4), shortstop Billy Jurges (3), centerfielder Joe Marty (2), starting rightfielder Frank Demaree (1) and substitute rightfielder Phil Cavarretta (1). Herman had both Cubs assists in the game on force plays at second base.

DIGGING OUT OF A HOLE

No Cubs team has ever overcome being more than 10 games below the .500 mark to finish a campaign at .500 or above. The biggest turnaround was 10 games, accomplished in 1968.

The 1968 club was 10 games under .500 twice, most recently on July 5 (35-45). That team finished the year at 84-78.

PHILLING UP THE SCOREBOARD

ON AUGUST 25, 1922, the Cubs topped Philadelphia 26-23 at Cubs Park in the highest-scoring game in major league history. The teams combined for 51 hits, 23 walks and 25 men left-on-base. A 10-run 2nd inning followed by a 14-run outburst in the 4th helped the Cubs build a 25-6 lead. Philadelphia fought back and had the bases full when the last out was recorded in the 9th inning.

ON MAY 17, 1979, Dave Kingman hit 3 homers and drove in 6 runs, but Philadelphia's Mike Schmidt answered with 2 homers — including the game-winner in the 10th — to give the Phillies a 23-22 victory in baseball's highest-scoring game since the 1922 affair. The Cubs had trailed 21-9, but rallied and tied the score in the 8th.

A REAL MAY DAY IN CUBS HISTORY

ON MAY 12, 1930, Cliff Heathcote, Hack Wilson, Clyde Beck and Charlie Grimm all homered in the 7th inning of the Cubs' 14-12 loss to the New York Giants at Wrigley Field. The Cubs fell just short after spotting New York a 14-0 lead.

ON MAY 12, 1955, Sam Jones no-hit Pittsburgh 4-0 for the first no-hitter at Wrigley Field in 38 years. Jones walked the bases loaded in the 9th, then struck out the next three Pirates batters to end the contest.

ON MAY 12, 1970, Ernie Banks became the first player in Cubs history to reach the 500-homers mark, accomplishing the feat with a 2nd-inning homer off Atlanta's Pat Jarvis.

REVOLVING DOOR

A club-record 51 players were utilized by the Cubs during the 2000 campaign (27 position players, 24 pitchers). In 1999, the Cubs set a team mark by sending 25 different pitchers to the mound.

The record for most players starting at any position in one season is 15, as the club utilized that total of starting pitchers in seven different campaigns (most recently 1990).

Besides pitchers, the Cubs single-year marks for players used at a position: 8 catchers (1916, 1960), 9 first basemen (1976), 9 second basemen (1893), 9 shortstops (1916), 10 third basemen (1902, 1957), 12 leftfielders (five times, most recently 2000), 10 centerfielders (1904) and 16 rightfielders (1902).

YOU CAN COME BACK

Of the nearly 1,700 players who have appeared in at least one game for the Cubs, five have had 10-plus year interruptions in their time with the club:

13 years: Roger Bresnahan (1900 ... 1913-1915) and Johnny Moore (1928-1929, 1931-1932 ... 1945)

12 years: Larry Gura (1970-1973 ... 1985) and Dave Martinez (1986-1988 ... 2000)

10 years: Lonny Frey (1937 ... 1947)

The longest span between homers for the team belongs to Billy Jurgens, who went 9 years, 22 days between Cubs homers August 2, 1938, through August 24, 1947 (both homers were hit at the Polo Grounds). Jurgens was a Cub from 1931-1938 and in 1946-1947.

INSIDE-THE-PARK ROUNDRIPPERS

ON SEPTEMBER 24, 2000, at Wrigley Field, Corey Patterson circled the bases in the 7th inning for an inside-the-park homer off St. Louis' Alan Benes.

Patterson was the first Cub to record an inside-the-park roundtripper since the 1997 season, when Sammy Sosa accomplished the feat May 26 at Pittsburgh (Francisco Cordova). He also was the first Cub to hit an inside-the-park homer at Wrigley Field since Ryne Sandberg circled the bases July 27, 1991 (off Atlanta's John Smoltz).

Here are the Cubs' inside-the-park homer records:

Career Leader (Since 1900): 18 Frank Schulte

Single-Season: 6 Tommy Leach (1913), Cy Williams (1915)

Game: 2 Hugh Duffy (8/9/1889 vs. Boston Braves),
Topsy Hartsel (8/5/1901 at Cincinnati)

The only time in Cubs history that the club had back-to-back inside-the-park homers took place June 23, 1946, when Eddie Waitkus and Marv Rickert accomplished the feat against the New York Giants at the Polo Grounds.

The last Cub to have an inside-the-park homer as his first M.L. homer was Carmen Mauro — on October 3, 1948, at St. Louis (off Murry Dickson).

Dating back to the 1983 campaign, only six inside-the-park homers have been hit at Wrigley Field. The list:

*Led National League

+Tied for National League Lead

(ERA, Hits, Homers and Walks — Fewest in the N.L.)

Bold Face — Club High/Low Record (Since 1900 — Excludes Strike-Shortened Seasons)

Saves originated in 1960 and became official in 1969

ONCE AROUND THE ROTATION

The Cubs haven't had a cycle through their rotation in which all 5 starters recorded victories since 1993. During a 5-game winning streak July 15-July 19 that season, Mike Morgan, Jose Guzman, Mike Harkey, Greg Hibbard and Frank Castillo all started and were the pitchers of record.

The Cubs have had 12 winning streaks of at least 5 games since then.

IN A PITCH

The Cubs set a club record in 1999 by using 25 different pitchers.

The club mark for most left-handed pitchers to see mound action in a season is 10 — a figure reached in both 1999 and 2000. Prior to the 1999 campaign, the team record of 8 had stood since 1966.

On July 17, 1918, Lefty Tyler pitched a Cubs-record 21 innings in a route-going 2-1 win against Philadelphia. He gave up 13 hits and 1 walk while striking out 8.

Three years earlier, on June 17, 1915, reliever George "Zip" Zabel was called into a game against Brooklyn with two out in the top of the 1st inning at West Side Grounds. He had to pitch 18.1 innings before earning the win, as the Cubs won 4-3 in the bottom of the 19th inning.

The last Cubs position player to take the mound for the Cubs was third baseman Gary Gaetti, who saw relief action July 3, 1999, at Philadelphia.

The last time Cubs pitchers recorded three consecutive complete games took place in 1976. On September 18, Rick Reuschel went the distance but took the loss in a 4-1 contest vs. Philadelphia. On September 19, Ray Burris tossed a shutout in a 1-0 win vs. the Phillies. After an off-day, the Cubs returned to action September 21 vs. Pittsburgh — and Steve Renko went the route but suffered the loss in a 4-3 setback.

The best career start record-wise for a Cubs pitcher is 8-0, recorded by King Cole in 1910. The worst start belongs to Jim Brewer, who began his Cubs career 0-8 in 1961.

The Cubs' top single-season pitchers' batting marks for:

AVG: .350...Percy Jones (1927)
H: 30...Lon Warneke (1930)
HR: 6...Fergie Jenkins (1971)
RBI: 20...Fergie Jenkins (1971)
S: 13...Greg Maddux (1992)
SO: 55...Don Cardwell (1961)

35 YEARS AND COUNTING

Entering the 2001 season, the Cubs had played 5,559 games since they were no-hit by Sandy Koufax in 1965 (a span of just over 35 years). The major league record for consecutive seasons without being no-hit is 40, set by St. Louis from 1920-1959.

Since Koufax's perfect game, the Cubs have had 16 one-hitters tossed against them, with the last one occurring April 10, 1997 — when Florida's Alex Fernandez took a no-hitter into the 9th inning at Wrigley Field (broken up by a Dave Hansen single). Fernandez is the last pitcher to take a no-hitter past the 6th inning against the Cubs.

The Cubs have played 4,437 contests since Milt Pappas' near-perfect game in 1972. Over that stretch, Cubs pitchers have thrown 12 one-hitters, with the last one taking place May 6, 1998 — Kerry Wood's 20-strikeout contest vs. Houston.

The last Cubs pitcher to take a no-hitter into the 7th inning was Jon Lieber, who pitched 6.2 no-hit innings May 29, 2000, vs. Atlanta at Wrigley Field. The last Cub to have a no-hitter through both 7.0 innings and 8.0 innings was Frank Castillo, who lost a no-hitter with 2 out in the 9th inning on September 25, 1995, vs. St. Louis at Wrigley Field (Bernard Gilkey triple).

The Cubs have not had a no-hitter nor a 1-hitter pitched against Arizona, Colorado, Florida, Milwaukee, New York or an American League club. Here are the Cubs' most recent 1-hitters against their other National League opponents:

Atlanta: 4/6/1993.....	Jose Guzman (Otis Nixon/9th inning)

HIGHLIGHTS IN CUBS HISTORY

1876: The first game in the history of the Chicago National League franchise took place April 25, as Albert Spalding pitched the first N.L. shutout in the Chicago White Stockings' 4-0 win at Louisville ... Spalding also had the first hit in franchise history, while centerfielder Paul Hines scored the first run on a throwing error in the 2nd inning.

- ◆ the first home run in N.L. history was hit by the White Stockings' Ross Barnes on May 2 in a 15-9 victory in Cincinnati.
- ◆ the creation of the N.L. was credited largely to William A. Hulbert, who held the dual role of league president and Chicago president until 1882 ... with the assistance of manager Albert Spalding, Hulbert drafted the N.L. constitution and by-laws in 1875.
- ◆ of the eight original charter members of the National League, only the Cubs have operated continuously in the same city.

1906: The Chicago club went 116-36 in setting all-time major league records for wins in a season and winning percentage (.763).

1907: "Cubs" was officially adopted as the nickname of the team ... the Cubs then went on to win their first world championship in a 4-game sweep of Detroit.

1908: The Cubs were World Series champions for the second straight year, defeating Detroit 4 games to 1.

1916: The Cubs moved into Weeghman Park (now known as Wrigley Field).

1921: William Wrigley Jr. became the Cubs' majority owner.

- ◆ Wrigley's involvement with the team began in 1916, when a 10-man syndicate led by Charles Weeghman purchased the club from Charles Taft ... in 1919, Wrigley purchased Weeghman's shares to have controlling interest.
- ◆ after Wrigley's death in 1932, his interest passed to his son, Philip K. Wrigley ... upon Philip's death in 1977, principal interest in the ballclub was left to his son, William Wrigley.
- ◆ the sale of the club to Tribune Company in 1981 ended the longest continuous operation of a franchise by the same family in one city.

1930: Hack Wilson established a M.L. record by driving in 191 runs while hitting 56 home runs — a club/N.L. record that lasted until 1998.

- ◆ the largest crowd to see a baseball game at Wrigley Field (51,556) took place June 27 vs. Brooklyn ... of that number, 30,476 were Ladies' Day guests and 1,332 were passholders.

♦ for only the fifth time, teammates finished as the top two votegetters in the Jackie Robinson N.L. Rookie of the Year balloting ... Jerome Walton, who had a club-record 30-game hitting streak during the season, won the award, while Dwight Smith finished 2nd in the voting.

1990: Ryne Sandberg hit a league-high 40 home runs, the 3rd-highest single-season total for a second baseman behind the 42 hit by St. Louis' Rogers Hornsby in 1922 and Atlanta's Davey Johnson in 1973.

♦ Sandberg also set a M.L. record by playing errorless ball in 123 straight games at second base June 21, 1989-May 17, 1990.

♦ Sammy Sosa hit the 10,000th homer in Cubs history August 14 in Los Angeles (off Tom Candiotti).

1998: The Cubs went to postseason play as the N.L.'s Wild Card club after defeating San Francisco 5-3 in a 1-game tie-breaker ... the Cubs were swept by Atlanta during the Division Series.

♦ Kerry Wood was named the league's Rookie of the Year after going 13-6 in 26 starts with 233 strikeouts ... on May 6 vs. Houston, he tied the M.L. single-game mark by fanning 20 batters while allowing just 1 hit in a complete-game 2-0 win.

AVOIDING THE BROOM

During their 125 campaigns prior to 2001, the Cubs never went winless in a season series against a National League opponent (the Cubs did go 0-2 against both Cleveland and Detroit in 1998 during interleague play).

The Cubs have recorded just 1 win in a National League season series nine times, most recently by going 1-6 against Florida in 2000.

NUMBERS GAME

On June 30, 1932, a week after National League team presidents approved players wearing numbers, the Cubs added numbers to their uniforms. Like most teams, the Cubs' numbering system followed the team's batting order, with leadoff hitter Woody English wearing No. 1.

◆ no number has been worn every season by a Cub. Jersey No. 22 had the longest streak — 57 years — as the number was utilized every season from 1932-1988 by, among others, Dizzy Dean, Paul Popovich and Bill Buckner.

◆ Stan Hack wore eight numbers as a Cub — 6, 20, 25, 31, 34, 39, 49 and 54. Other 1930s Cubs who wore at least six different numbers were Charlie Grimm (1, 6, 7, 8, 38, 40, 50), Charlie Root (4, 12, 14, 17, 19, 49) and Lon Warneke (12, 16, 17, 19, 32, 36).

◆ the only player to wear both Nos. 14 and 26 was Lou Novikoff — who wore 26 in 1941 and 14 in 1942. He also wore 19 and 45 during his four-year stint with the Cubs.

◆ Billy Williams wore No. 4 in 1959 and 41 in 1960 before switching to 26 in 1961.

1947, 1962 (Game 2) and 1990 All-Star Games played at Wrigley Field.

HEY NOW, YOU'RE AN ALL-STAR

Three All-Star Games have been played at Wrigley Field — in 1947, in 1962 and in 1990. The American League won all 3 contests by scores of 2-1, 9-4 and 2-0.

Ernie Banks was selected to the National League All-Star team 14 times, the highest total for a Cubs player. Ryne Sandberg ranks 2nd in club history with 10 All-Star appearances (including 9 starts).

The only Cub to earn Most Valuable Player honors was Bill Madlock, who had a game-winning 2-run bases-loaded 9th-inning single off the White Sox's Rich Gossage in the 1975 contest. Madlock shared MVP honors with the New York Mets' Jon Matlack.

Six Cubs batters have hit All-Star home runs, most recently Andre Dawson in the 1991 contest off Boston's Roger Clemens. The others: Augie Galan (1936 off Detroit's Schoolboy Rowe), Hank Sauer (1952 off Cleveland's Bob Lemon), Ernie Banks (1960 off Boston's Bill Monbouquette), George Altman (1961 off Boston's Mike Fomiele) and Billy Williams (1964 off Kansas City's John Wyatt).

Cubs pitchers have earned 5 All-Star wins — Bob Rush (1952), Larry Jackson (1963), Bruce Sutter (1978 and 1979) and Lee Smith (1987). Cubs relievers have picked up 4 saves (Lon Warneke in 1936, Don Elston in 1959, Sutter in 1980 and Randy Myers in 1995). Cubs pitchers have suffered 4 All-Star losses — Bill Lee (1939), Claude Passeau (1941 and 1946) and Johnny Schmitz (1948).

Passeau is the only Cubs pitcher to start in the All-Star Game, taking the loss in the 1946 Midsummer Classic at Boston's Fenway Park.

ON THE ROAD AGAIN

The Cubs have not had a road winning streak of longer than 5 games since the 1991 season, when the club won 6 straight away contests over parts of three road trips (May 22-May 23, May 31-June 2, June 14).

The Cubs have not won the first 5 games of a road trip since the 1962 campaign (June 15-June 19). Their last 6-0 start to a road trip took place in 1961 (May 30-June 3).

The club's best start to a road trip took place in 1918, when the Cubs began an 18-game road trip with an 8-game winning streak June 1-June 11 at Boston (4 wins), Philadelphia (3 wins) and New York (1 win). The Cubs went 12-6 for the trip.

The last time the Cubs had a perfect multiple-city road trip took place in 1945. On September 27 that year, the club swept a doubleheader against Cincinnati at Crosley Field by scores of 3-1 and 7-4. Then, on September 29-September 30, the club won 3 games at Pittsburgh's Forbes Field (4-3 and 5-0 in a twinbill, followed by a 5-3 triumph).

The last time the Cubs swept consecutive road series took place in 1998, as the club was victorious in back-to-back 2-game sets at Arizona's Bank One Ballpark (May 11-May 12) and Colorado's Coors Field (May 13-May 14). The last time the club swept consecutive road series of at least 3 games each occurred in 1971 (June 25-June 27 at St. Louis' Busch Stadium, July 6-July 8 at Los Angeles' Dodger Stadium).

CONNECT THE DOTS

The Cubs' entire National League history can be spanned by the careers of as few as nine players.

Hall of Famer Cap Anson played for the club from 1876-1897. Frank Chance joined the team in 1898 and was with the Cubs until 1912. He was in turn followed by Hippo Vaughn (1913-1921), Gabby Hartnett (1922-1940), Phil Cavarretta (1935-1953) and Ernie Banks (1953-1971). Rick Reuschel's first tour of duty with the Cubs took place from 1972-1981, then Ryne Sandberg played for the team from 1982 until his first retirement in 1994.

Sammy Sosa (1992) made his Cubs debut prior to Sandberg's first retirement.

POSTSEASON HISTORY

1906 WORLD SERIES

CHICAGO WHITE SOX DEFEATED CUBS 4-2

The 1906 Cubs set a modern record by winning 116 games against only 36 losses ... facing the "Hitless Wonders" White Sox in the first one-city World Series, the Cubs were heavily favored to win their first Fall Classic.

- played in snowy October weather, the first 4 games were dominated by pitching ... Nick Altrock and Mordecai "Three Finger" Brown duelled in the opener with both pitchers allowing only 4 hits, but the White Sox scratched out a 2-1 win ... Ed Reulbach evened the Series with a 1-hitter the following day ... the clubs then traded shutouts, leaving the Series tied after four games.
- the Cubs were held to a .196 batting average ... the White Sox didn't fare much better, hitting only .198.

POSTSEASON YOUNGSTERS

The youngest Cub to participate in postseason play was Phil Cavarretta, who was just 19 years old when he made his World Series debut in the 1935 Fall Classic against Detroit.

In 1998, Kerry Wood became the youngest Cubs pitcher to see action during the postseason. He was just 21 when he started Game 3 of the Division Series against Atlanta.

MESA AND HOHOKAM PARK

The Cubs will spend their 23rd consecutive spring training in Mesa in 2001 and their fifth at the new HoHoKam Park/Fitch Park facilities.

- ◆ HoHoKam Park is operated by the city of Mesa with assistance from the HoHoKams, a local service organization.
- ◆ Mesa is the second-largest city in the Phoenix metropolitan area and the third-largest city in Arizona ... Mesa is located southeast of Phoenix and Scottsdale.
- ◆ with a population of over 410,000, Mesa ranks as one of the fastest growing cities in the United States (among those with populations of at least 200,000) and the 46th-largest city in the country — directly between Oakland and Minneapolis.
- ◆ Mesa was founded in January 1878 and was incorporated in July 1883 ... the area of the city is 128 square miles.
- ◆ the telephone number for the Mesa Convention and Visitors Bureau is 1-800-283-MESA.

The Cubs began play at the new HoHoKam Park in 1997.

- ◆ new HoHoKam Park has a seating capacity of 12,575 ... there are 8,000 fixed seats and 2,000 bleacher seats to go with an outfield lawn seating capacity of 2,575.
- ◆ the stadium dimensions are:
 - 340 feet down the leftfield line
 - 350 feet down the rightfield line
 - 410 feet to straight-away centerfield
 - 390 feet to the power alleys
- ◆ the batter's eye in centerfield is 80 feet wide by 40 feet high ... the outfield fence is 15 feet, 4 inches high.
- ◆ new HoHoKam Park also has a practice field, a practice infield, four batting tunnels, bi-level bullpens in right-centerfield and a 13,955-square foot clubhouse ... the facility, which includes paved and grass parking for 3,000 cars, was built on a 48.45-acre site.

In 1999, the Cubs established a HoHoKam Park/Cactus League single-season attendance record. The club drew 171,681 fans for its 15 home dates, an average of 11,445 per date.

- ◆ the Cubs' yearly attendance figures at the new site:

1997 (16 dates)	157,066
1998 (16 dates)	134,329
1999 (15 dates)	171,681
2000 (13 dates)	137,008
- ◆ the single-year attendance mark at the old HoHoKam Park was 141,327, set in 1993 (19 dates).

Following the 1996 spring campaign, a new Fitch Park practice complex was built on a 31-acre lot ... Fitch Park has four practice fields, one practice infield and a 29,733-square foot clubhouse with lockers for 200 players and 36 coaches.

Mesa is the 14th different training site used by the Cubs since 1900 and the fifth site since 1921 ... in some instances, the team's exhibition games were not played at the training site.

HISTORY OF WRIGLEY FIELD

Wrigley Field, which was built in 1914, is playing host to major league baseball for the 88th season in 2001.

◆ The Friendly Confines is the second-oldest ballpark in the major leagues behind Boston's Fenway Park (1912).

◆ Wrigley Field has been the site of such historic moments as:

- ✓ Babe Ruth's "called shot," when Ruth allegedly pointed to a bleacher location during Game 3 of the 1932 World Series ... Ruth then hit Charlie Root's next pitch for a homer.
- ✓ Gabby Hartnett's famous "Homer in the Gloamin'" ... September 28, 1938, vs. Pittsburgh's Mace Brown.
- ✓ the great May 2, 1917, pitching duel between Jim "Hippo" Vaughn and the Reds' Fred Toney ... both Vaughn and Toney threw no-hitters for 9.0 innings before Cincinnati's Jim Thorpe (of Olympic fame) drove in the only run in the 10th inning ... Toney finished with a no-hitter.
- ✓ Ernie Banks' 500th career home run May 12, 1970, vs. Atlanta's Pat Jarvis.
- ✓ Pete Rose's 4,191st career hit, which tied him with Ty Cobb for the most hits in baseball history ... Rose singled off Reggie Patterson September 8, 1985.

Originally known as Weeghman Park, Wrigley Field was built on the grounds once occupied by a seminary.

◆ Weeghman Park was the home of Chicago's entry in the Federal League and was the property of Charles H. Weeghman ... the club was known as both the Federals and the Whales.

◆ the cost of building Weeghman Park, which had a seating capacity of 14,000, was estimated at \$250,000 ... the infield and outfield consisted of more than 4,000 yards of soil and four acres of bluegrass.

◆ the first major league game at the ballpark took place April 23, 1914, with the Federals defeating Kansas City 9-1 ... the first homer in ballpark history was hit by Federals catcher Art Wilson — a 2-run shot in the 2nd inning off Kansas City's Chief Johnson.

◆ when the Federal League folded for financial reasons after the 1915 campaign, Weeghman purchased the Cubs from the Taft family of Cincinnati and moved the club to the two-year-old ballpark at the corner of Clark and Addison streets.

◆ the first National League game at the ballpark was played April 20, 1916, when the Cubs beat the Cincinnati Reds 7-6 in 11 innings ... a bear cub was in attendance at the game.

◆ the park became known as Cubs Park in 1920 after the Wrigley family purchased the team from Weeghman ... it was named Wrigley Field in 1926 in honor of William Wrigley Jr., the club's owner.

The Wrigley Field bleachers and scoreboard were constructed in 1937 when the outfield area was renovated to provide improved and expanded seating ... the original scoreboard remains intact.

- ◆ the score-by-innings and the pitchers' numbers are changed by hand ... the numbers signaling batter, ball, strike and out, along with "H" and "E" to signify hit and error, are eyelets.
- ◆ no batted ball has ever hit the centerfield scoreboard ... two baseballs barely missed — a homer hit onto Sheffield Avenue (right-center) by Bill Nicholson in 1948, and one hit by Roberto Clemente onto Waveland Avenue (left-center) in 1959.
- ◆ one of the traditions of Wrigley Field is the flying of a flag bearing a "W" or an "L" atop the scoreboard after a game ... a white flag with a blue "W" indicates a victory; a blue flag with a white "L" denotes a loss.

The original vines were purchased and planted by Bill Veeck in September 1937 ... Veeck strung bittersweet from the top of the wall to the bottom, then planted the ivy at the base of the wall.

- ◆ the bleacher wall is 11.5 feet high ... the basket attached to the wall was constructed in 1970.
- ◆ Ernie Banks' uniform number (14) is imprinted on the flag which flies from the leftfield foul pole ... Billy Williams' No. 26 flies from the rightfield foul pole.

Wrigley Field added lights in 1988.

- ◆ the first night game took place August 8 against Philadelphia, but was rained out after 3¹/₂ innings.
- ◆ the first official night game occurred August 9 vs. New York, when the Cubs defeated the Mets 6-4.
- ◆ **in 2001, Wrigley Field will be celebrating its 14th year of playing host to baseball under the lights ...** the Cubs entered the season having played 206 home night games (going 107-99 in those contests).

Wrigley Field has also been the site of numerous construction projects since Tribune Company purchased the Cubs in 1981.

- ◆ new office space was created and old offices refurbished in the administrative area behind home plate in 1981-1982, while the ticket office was built directly behind home plate in 1983.
- ◆ during the winter of 1984, a new home clubhouse was completed under the third base stands ... the visitors' clubhouse was renovated in 1990.
- ◆ in 1989, private boxes were constructed on the mezzanine level, formerly occupied by the press box and broadcasting booths ... a press box and broadcasting booths were constructed in the upper deck directly behind home plate ... other improvements included a food court in the upper deck.
- ✓ following renovations in 1994 and 1995, there are now 63 private boxes.
- ◆ an elevator was added to the third base concourse in 1996.
